Visit Fee: \$30

What

What's telehealth? A service that helps you to reach a medical provider by phone or online when access to your regular doctor is not available.

What's a visit fee? A fixed amount that you owe at the time of your visit. Review your member card to see yours.

Who

Who can use the service? The program is available to you, your spouse or domestic partner, and children up to the age of 26.

Who will I see? Medical care is provided by our US-licensed and board-certified physicians, physician assistants, and nurse practitioners.

When

When should I use telehealth? When you need medical attention for a minor health concern anytime, day or night, at home or when traveling.

When can I use MeMD? Medical visits are available 24/7 - 365, making it easier than ever to speak with a medical provider day or night, over the weekend, and even on holidays.

How

How do I save more money? MeMD provides a convenient and less expensive alternative to costly emergency room and urgent care visits.

Where

Where can I use telehealth? Nationwide - from the privacy of your own home or office, online, over the phone, or by app.

Register online to start using your MeMD benefits:

- Request a visit with a medical provider 24/7/365, review past exams, and when medically necessary, have prescriptions sent to your local pharmacy.
